Yes
No

Type of Request*
If you'd like to discuss what type of request to submit please reach out to your Program Officer or request a meeting with this link for a meeting by using this request link.

Based on how you respond to this question you will be asked to answer a specific set of questions about your request below.
This is not a weighted question. In other words, the type of request you choose does not increase or decrease likelihood for funding.
Program requests are for direct-service, client focused programs.
Operating requests are for general operating support for direct-service organizations serving clients.
**2022 Midcycle Report**

**Community Foundation Partnership**
As a recipient of a 2022 Community Impact grant, what do you want us to know about your work to date? Beyond a 2023 Community Impact grant, how can we help?

*Character Limit: 2000*

**Data & Metrics**
Please provide any metrics or indicators that you have collected to date to demonstrate the impact of your grant dollars. Indicate the time period represented in the data shared (example: Jan.1, 2022 - December 31, 2022).

If you have a previously prepared document, such as an annual report that includes a data summary of your impact, please feel free to upload it here.

*Character Limit: 3000 | File Size Limit: 5 MB*

**Policy & Systems**
These questions are required when you indicate an "Operating for Advocacy & Systems" type of request.

**Need**
Describe the need that the work addresses. Please include your data sources, emphasizing recent local data when available.

*Character Limit: 1500*

**Population of Focus**
In one sentence, define the specific local population that is the target of your work. Example: "Our policy initiatives are focused on legislative victories impacting low-income residents in Virginia"
Example: "Our advocacy campaign is focused on the parents of school-aged children in the Region who attend public schools."
Example: "We convene and coordinate organizations working to end homelessness."

*Character Limit: 250*

**Number of People Targeted**
From the unit described above, how many do you estimate the proposed activities could affect? Example: 24,000 students and their families who are enrolled in Richmond Public Schools Example: 17 coalition organizations and 2 government agencies

*Character Limit: 10*
**Description**

Describe the work your organization is engaged in. Include:

- The annual goals for this grant funding. Please be specific about the activities you hope to accomplish in the next year.
- The long-term outcomes you and your partners are collectively working towards. Generally, this would include outcomes that would not be realized in the next few grant cycles.

*Character Limit: 3000*

If awarded a grant, this section will populate your final report, which will provide an area to report on the specific result of each indicator and measurement.

*Operating for Advocacy and Systems* requests contain options to provide both indicator measurements and direct-service measurements. You do not have to provide information for each indicator and you are not required to provide any direct service measurements. Only the first indicator is required.

**Advocacy and Systems Indicators**

Describe up to three indicators that you will use to evaluate your work. For each indicator, you will be asked to identify the

- target group for change
- strategy used
- short-term goal
- long-term intended outcome

Our framework for measuring advocacy and systems focused grants is based research conducted by the Annie E. Casey Foundation. A summary guide of indicators and citation for the framework can be found here.

**Direct-service Measurements**
If your organization also conducts direct service work you have the opportunity below to provide measurements for that work. If your organization does not provide direct services you can leave this section blank.
Describe up to two data points that you will use to evaluate your work. For each measurement, you will be asked to identify the

- population
- definition of success
- and target for success

**Measurement 1: Specific Population Measured (a/s)**
Describe/define who or what will be specifically measured for this data point. What constitutes a recipient of the service/work?
Example: "A participant is any youth in grades 3-5 who attends at least 25 tutoring sessions during the school year."
Character Limit: 250

**Measurement 1: Definition of Success (a/s)**
What represent success for this data point?
Example: "Measured from the first report card (baseline) to the final report card, success means students who increased at least one letter grade in Math."
Character Limit: 250

**Measurement 1: Target for Success (a/s)**
What is your target for this data point?
Example: "125 out of 150 participants (83%) will succeed in improving their Math grades by one grade level."
Character Limit: 250

**Measurement 2: Specific Population Measured (a/s)**
Character Limit: 250

**Measurement 2: Definition of Success (a/s)**
Character Limit: 250

**Measurement 2: Target for Success (a/s)**
Character Limit: 250

**Evaluation & Learning**
How will progress be assessed over time for this work? How are progress indicators used to make decisions and further the work?
Character Limit: 1500
Additional Information (OPTIONAL)
If you would like to share additional information that further explains your work, please upload a PDF or paste a link here. The upload and/or link can be a theory of change framework, a data library, a recounting of past legislative wins, etc.

By typing my name below, I confirm that the information provided within this application is accurate and I approve the submission of this proposal.

In addition, by submitting this application, I agree not to release any information publicly (e.g., through print media, television, radio or other such electronic media, interviews or social media posts) about the Community Foundation’s grant processes or funding decisions without first seeking approval from the Community Foundation.

I agree and understand that my organization will be responsible for any funds that might be received and will comply with applicable tax laws, regulations and foundation policy. By typing my name below, I confirm that if the Community Foundation or one of its funding partners provide grant support to my organization, the organization will comply with the following terms and conditions:

1) grant funds distributed to the organization in connection with the Foundation’s grant will be used only for purposes designated in the grant letter;

2) no funds will be used for any political campaign or to support attempts to influence legislation of any government body;

3) if the organization loses its exemption from federal income tax, any unexpended funds will be returned to the Foundation;

4) adequate accounting records of the expenditure of funds will be maintained by the grantee organization;

5) special provisions regarding equipment grants: if, in the sole opinion of the Foundation, an organization no longer provides the services for which the equipment grant was awarded; no longer operates as a service provider within the area served by the Foundation or ceases operations due to loss of substantial funding, staff, etc. or dissolution as a nonprofit corporation, the Foundation may request the return of equipment. This provision shall be limited to three years from the date of award;

6) the agency will submit any interim or final reports associated with the grant funding on or before the date assigned in the Foundation’s online grants management system.
